

MAY 2019 NEWSLETTER

Hello Family, Residents and Friends!

It is hard to believe that April has come and gone and May has arrived! Hope this letter finds you well. April has been very busy here at Mount Washington Care Center. We had our Easter Egg Hunt and was a huge success! Thank You again to all that gift cards and basket to raffle off and individually wrapped candy for our egg hunt. We appreciate all your kindness and generosity. We also had our annual State Survey, we would like to thank everyone for your cooperation to make it easier for the State surveyor to do their job. Last month, we had Bill Roth to entertain during the Birthday party and everyone had a great time. We also had Al Mahan for Trivia and Music which everyone enjoy.

Our outing season is starting again and we need family volunteers for our outings. We try to give opportunity to our residents to have activities outside the facility but we can't do it without volunteers. If your loved one got chosen to go you will get a phone call from activity department to let you know and asked if you can go with your loved ones especially to the one on one outings. If you wish to volunteer, please contact the activity department @ 513-231-4561, ext. 228. Thank you.

Please come and join us to our Memorial Day Picnic on Friday, May 24th @ 11:30 a.m. at our picnic area. Thank you.
