

# SEPTEMBER 2023 NEWSLETTER

Hello residents, family and friends!

Hope you all doing well! August has come and gone and September has arrived! We are enjoying this beautiful weather that we are having right now, and most of our residents like to spend time out the front porch. Last month has been very busy for us here at Mount Washington Care Center, we celebrate our Labor Day Picnic with some yummy grilled foods prepared by our Dietary Department and with the help of some of the staff and our Activity Department residents and family had a great time! We also had Brian Brenner to come and entertain, as usual our residents enjoy listening to his music during the monthly birthday party. We also went to O'Charley Restaurant for our residents outing which our residents enjoy and some of them their family has able to join us. We also brought White Castle lunch for all our residents and staff to enjoy! Thanks to the Residents Council for voting this!

We continue to strive to give our residents meaningful activities to enhance the quality of life while they are in this facility.

Dates to remember:

9/4 – Labor Day Bingo @ 2:30 in 1<sup>st</sup> Floor D.R. 1
