

NEWSLETTER JULY 2024

Hello Residents, families, and friends!

Hope you all stay cool in this extremely hot weather we are having. We continue to provide our residents with meaningful activities.

We would like to thank all the family that came to our cookout to celebrate Father's Day, everyone had a wonderful time. Also, our Veterans had a wonderful time during the Veterans Luncheon with their family and the American Legion 484 able to join our Veterans during the luncheon and talked and socialize with our Veterans.
