

# September 2024 Newsletter

Hello Residents, family, and friends:

Hopefully you are all doing well, August has come and gone, and September has arrived. We have been busy here at Mount Washington Activity Department to give our residents enjoyment daily.

We had twin baby goats that visited our residents, and they enjoyed it so much! We also had out Bus Ride to East Fork Lake Park with our second-floor residents and they got to see some deer along the way, and they enjoyed their Ice Cream from Graeter's on their way back to facility. We also had the Joyful Noise to entertain our resident with different Genri of Music and Gospel Music.

We also had our resident's monthly birthday party with David Wayne to entertain. We went to Hard Rock Casino to try our luck on the slot machine and the poker table and lunch at the Hard Rock Café, everyone had an amazing time!

Due to the extreme weather conditions and for the safety of our residents, we apologize to cancel our Labor Day Picnic.
