

MAY 2025 NEWSLETTER

Hello residents, family and friends!

Spring has sprung! Hope you all are doing well! Mount Washington Care Center activities department goal is to always give our residents the best quality of life while they are here in the facility and the best activities they enjoy.

Last month we had the MWPC-Joyful Noise to choir to entertain our residents some best Gospel music and songs from their generation. We also have an Easter Egg Hunt with our residents and a visit from the easter bunny to every resident out or inside their rooms. The Board of Election was in the facility on April 15th to assist some of our residents who requested absentee Ballot to vote. We also had David Wayne come in and entertain our residents during our resident's monthly birthday party and the ladies enjoyed his performance. We also went to Walmart and had lunch at the Golden Corral for our outings. Unfortunately, we must cancel our Bus Ride for 2nd floor residents due to too much rain and flooding.

Save the Dates:

Our department would like to say bye to Chloe! Chloe has been in our department for over 4 years. She has just graduated High School when she first come and work for us every weekend while she is going to college to be a Nurse Practitioner. She is moving to pursue her career at Anderson mercy. Chloe is

tremendous part of our department, it bittersweet and we are all going to miss her at the same time, we are so proud of her and all her accomplishments.

On her behalf, Jackie Pinkelton transferred to our department from the Dietary department, and we would like to welcome her.

Happy Mother's Day to all the mom's and Happy Memorial Day to all our heroes who sacrifice their life to give us freedom in this country!!!

MTWCC-ACTIVITIES

Josie, Chloe, Cheryl, Neveah and Amy
